

April 7, 2021

I wanted to take this time to introduce Safe Haven Defense Texas. During these unprecedented times many public schools, universities and businesses are taking proactive measures in protecting students, staff and community. Safe Haven Defense Texas manufactures a security laminate that offers protection against glass breakage, due to criminal intrusion, severe weather, explosive forces and bullets. Should you be in the market for this product, I have included Safe Haven Defense Texas phone number so they can answer your questions.

Kaci Morris
